

## TRV 2020 50m Prone Pennant

As you will be aware due to the COVID-19 Pandemic this year's 50m Prone it has been severely disrupted. At this late stage in the year it is not going to be possible given government restrictions to complete this event. Therefore, Council has decided to reduce this event to 5 rounds. At the conclusion of round five each team in a section will have shot each of the other teams once only. We are aware that some clubs have shot later rounds however it would not be fair to include these rounds as some teams would have had multiple byes and shot some of the teams twice.

If at the end of round 5 teams in the same section tied both teams will be awarded Pennants this year.

Entry into the 2021 50m Prone Pennant will be free. Entry form is attached to this newsletter and is also available on the TRV Website (<https://trv.org.au>)
