

TRV Membership Fees

TRV Council has been looking the best way to handle Membership Fees in the wake of the COVID-19 Pandemic. In reviewing our fees we have had the following goals in mind:

- Encourage people to re-join. TRV Membership number are down over 25% on last year.
- Align membership year to calendar year.
- Provide some compensation for the reduced services that TRV as offered during the closures (Pennants, State Champs, Postal Competitions, etc....)
- Provide some compensation for the time people have not been able to shoot.
- Obviously it has been a complicated year and Clubs/Members have been impacted in many different ways. We however, want keep the process as simple as possible.

Proposed Fees Structure

1. For people who have been members in the past but are not currently financial we offering to allow them to re-join before 31 May 2021 for ½ the normal fee.
2. Anyone who is a financial member as at 30 June 2021 will offered renewal to 31 Dec 2021 at ¼ the normal fee.
3. From 1 Jan 2022 fees will return to normal amount and membership year will align to calendar year.

	Current Annual Fee	Fee for Former Members to Re-join before 31/05/2021(½)	Fee for Members as at 30/06/2021 to take them to 31/12/2021(¼)
Senior	\$ 165.00	\$ 82.50	\$ 41.25
Family	\$ 287.00	\$ 143.50	\$ 71.75
Concessional	\$ 113.00	\$ 56.50	\$ 28.25
Age Pensioner	\$ 113.00	\$ 56.50	\$ 28.25

Notes:

Anyone that has already paid the membership fees for 2020/21 year have already had the membership extended till 30 June 2021 effectively giving them three months for free.

This proposal effectively means anyone who is a member as at 31 May the 2020 will end up getting six months membership for free.

Depending on how the pandemic and government restrictions play out TRV Council may make further changes.
