

## **TRV SHOOTING SPORT SCHOLARSHIPS FUND**

### **A MESSAGE TO DONORS**

You are invited to make Tax Deductible donations to the TRV Shooting Sports Scholarships Fund through the ASF ( Australian Sports Foundation). This Foundation brings together people interested in donating or bequeathing funds with no expectation of receiving a commercial benefit other than Tax Deductibility.

**FUNDRAISING THROUGH ASF:** Tax Deductible Donations can be made by individuals or business entities. To get tax deductibility, a donor must meet certain ATO requirements such as –

- The donation must be voluntary.
- The donation must be made unconditionally to a deductible gift recipient (DGR), such as the ASF; and
- The donor and their relatives/associates cannot receive a material benefit in return for their gift.
- 

If material benefits such as advertising on club properties is a consequence of the “donation” then the exercise can continue separately as a “Sponsorship” but cannot include the Tax Deductibility provisions enjoyed by Donors.

**THE PROJECT:** The TRV Shooting Sports Scholarship Fund is designed to offer up to 10 Scholarships per year, each of a value of \$3000, to up-and-coming members who show potential to progress up the Inter-Club, State, National or International Ladder. There is also the intent to maximise inclusivity when awarding scholarships by focusing on Juniors, Women, Handicapped, Indigenous and newly arrived migrants. (*for more detail see links below*).
