

### ACT Smallbore range

Turn off the Federal highway onto Majura parkway as if going to the Airport. The turnoff is close to the ACT/NSW border. The range is located on Hector McIntosh Grove off Majura Parkway about 500 m from the Highway.

The range can be seen as you turn off Majura Parkway. Hector McIntosh Grove has been upgraded and sealed. Follow the road and cross the creek then veer right at a tee intersection to a white picket fence and gate. Proceed via a gate immediately to the right after the cattle grid.

To go north from the range, turn left on a small one way road off Hector McIntosh grove that leads to the Federal highway off ramp, turn right then follow the signs.
