# TARGET RIFLE VICTORIA

## SCORING OF TRA 20M BENCHREST TARGETS

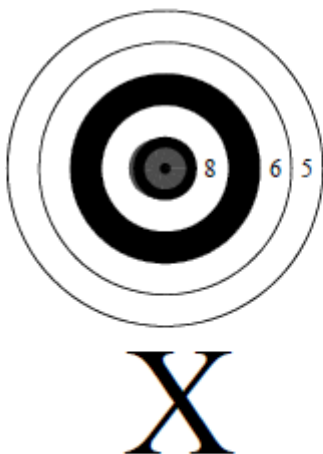

Values 5 to 9 Scored by inward gauging  
( Any shot which touches the outer edge of a scoring ring receives the score value of that scoring zone)

Plug gauge may be used if required

10 - If the Black dot is completely removed

Plug gauge may be used if required

X - If the White ring is completely removed

Plug gauge may be used if required
