TRV News - June 2022

Thoughts for the day

- “I never dreamed about success. I worked for it.” – Estee Lauder

How is TRV going? Well, I guess you want an honest answer – okay, here are the hard facts. Are you ready? Your TRV council has bounced back after all of the Covid-induced upsets, difficulties, and hard times. We are absolutely flying along, and more effective than we have ever been. There is just so much in the works, and opportunities are being grabbed by the

We would like you to come along for the ride – it’s going to be exhilarating.

We are holding our annual TRV Congress (a fancy name for ‘Annual General Meeting’) in **Ballarat** on **Sunday 17th July** at the Sebastopol Bowls Club on Albert Street, (it’s actually called ‘Bowling’ club, but I always associate ‘bowling’ with 10 pin bowling, and ‘bowls’ with lawn bowls, which is what they

do) (I'm just a lone voice crying in the wilderness). Now, what was I on about? Ah yes, our congress on the 17th of July starts at **11am** and is not just a dry old event listening to people who love the sound of their own voice. **No**, this is where you can attend as a representative of your club along with another from your club as an observer. It means that you get to listen to interesting and interested people striving to do their very best for all our 38 clubs and 620 members. I'll bet you didn't know those numbers! (Psst – and there's light lunch too!)

The following positions become vacant this year, these are:-

Vice President
Treasurer, and
1 councillor.

There is also a casual vacancy of 1 year for President

If you would like to nominate for any of these positions you can help direct how TRV is run and organised. If you feel you could have something to contribute to TRV this is the way to do it. Even if you can't be there in person on the day, you can still bag yourself a job – just contact our secretary, Janey, – secretary@trv.org.au and she will make it all easy peasy.

Here are some brief job descriptions to help you decide to come on board. New people are always welcome on the council. Everyone, and I truly mean everyone, helps and supports each other – you are never alone in any task. Your involvement will help us all, and it's not hard. Put your hand up while you can. We are like a family, so come and join our family.

The basics of various Job Descriptions are presented below.

- Please note that these descriptions are still “works in progress”.
- The actual Position Descriptions are more detailed than you see here, as I have pruned them down to the very basics for ease of input herein (*editor*)
- *Meetings are not necessarily face to face. Zoom is usually a viable option.*
- *TRV includes young people, so Working With Children Checks are required for most positions.*

BUY, SELL, SWAP

We are going to try a **Buy, Sell, Swap** section in our next newsletters. Here are some of the requirements.

While you can advertise anything at all with us for free (if you are a financial TRV member), **if you want to advertise any firearms**, you must include in your ad –

- ✓ the serial number of the firearm for sale,

- ✓ a statement that the proposed sale is to be arranged by or through a licenced firearms dealer,

Obviously, you'll need to include your contact details for anything you advertise. You don't have to pay for your ad – it's free, as TRV always wants to provide a service for our members. Send your ads to me, Phil Green philipgreen17@tpg.com.au Note that there's only one I in Philip.

Our first ad is a bit further down.

Doh – the jokes?

And on the 8th day, God created Seniors.

Most seniors never get enough exercise. In His wisdom, God decreed that a senior become forgetful so they would have to search for their glasses, keys, and other things, thus doing more walking. And God looked down and saw that it was good.

Then God saw there was another need. In His wisdom He made seniors lose coordination so they would drop things, requiring them to bend, reach, and stretch. And God looked down and saw that it was good.

Then God considered the function of bladders and decided seniors would have additional calls of nature, requiring more trips to the bathroom, thus providing more exercise. God looked down and saw that it was good.

So, if you find, as you age, you are getting up and down more, remember it's God's will.

It is all in your best interest even though you mutter under your breath.

Nine Important Facts to Remember as We Grow Older

#9 Death is the number 1 killer in the world.

#8 Life is sexually transmitted.

#7 Good health is merely the slowest possible rate at which one can die.

#6 Men have two motivations: hunger and hanky-panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich

#5 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.

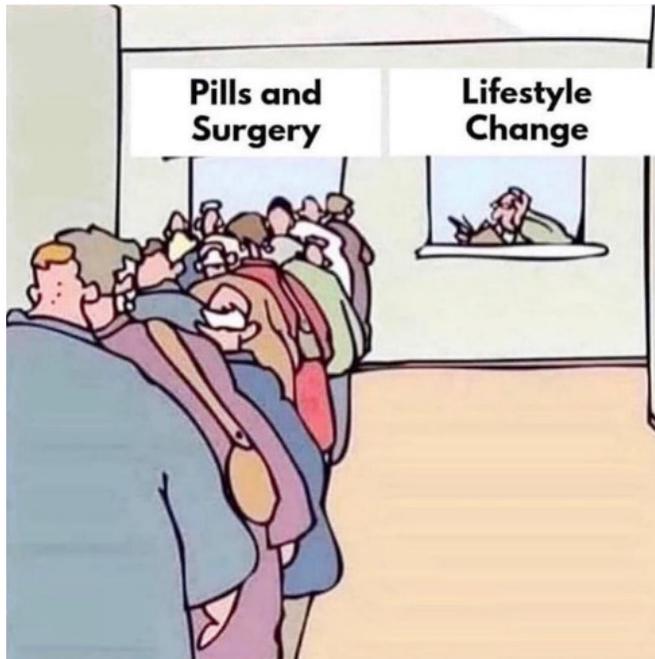

#4 Health nuts are going to feel stupid someday, lying in the hospital, dying of nothing.

#3 All of us could take a lesson from the weather. It pays no attention to criticism.

#2 In the '60s, people took LSD to make the world weird. Now the world is weird, and people take Prozac to make it normal.

#1 Life is like a jar of jalapeno peppers. What you do today may be a burning issue tomorrow.

Please share this wisdom with others; ***I need to go to the bathroom.***

Why I Mow My Own Yard...

Lee Trevino: a true story....

One day, shortly after joining the PGA tour in 1965, Lee Trevino, a professional golfer and married man, was at his home in Dallas, Texas mowing his front lawn, as he always did.

A lady driving by in a big, shiny Cadillac stopped in front of his house, lowered the window and asked, "Excuse me, do you speak English?"

Lee responded, "Yes Ma'am, I do".

The lady then asked, "What do you charge to do yard work?"

Lee said, "Well, the lady in this house lets me sleep with her".

The lady hurriedly put the car into gear and sped off.
