Commonwealth Ladies Come & Try Event.

A change of format for this 2024 event.

Clubs are encouraged to hold a Ladies Come & Try shoot to seek any potential new female club members.

It would be great if club members can rally around and get wives, girlfriends, workmates and anyone you know to come and try our sport.

Clubs can decide if they wish to hold an event on a chosen date which suits them.

In the past this event was held on a weekly shoot basis over 6 weeks. This year clubs can pick the date and offer the new potential member a choice of discipline that they may wish to try.

The novice can have as many goes as they want to, before deciding to nominate 2 stickered cards that once completed will be sent to TRV for marking.

By simply signing a visitor's book non members are covered by insurance during this event.

Ladies trying for first time may shoot prone supported by a rest. Benchrest and the Air Rifle matches will be as per normal.

50 metre Prone	50 metre Benchrest
20 metre Prone	20 metre Benchrest
10 metre Air Rifle Standing	10 metre Air Rifle Supported.
25 metre Air Bench	

All participants will receive a commemorative pin.

Trophy to the winner in scratch and handicap. And for first, second and third in handicap.

The event will commence Monday October 7th, 2024.

Completed targets are to be returned by Friday November 16, 2024.

Event Stickers will be mailed out to clubs once payment is received.

Entry cost \$5.00 per competitor.

Please forward entry form and entry fees to
